Date : 11th March 2017
Timing : 2 PM – 3.30 PM
Topic : **Selenium**
Speaker : Mr. Venkat, CEO, Vivilex

Objective:

A talk on “Selenium” was delivered by Mr. Venkat. CEO from Vivilex. The main objective of this event was to make the students understand about what Selenium is and how it will rule the world in the coming years. He gave a very good session on the different components of the selenium framework.

Description :

The topics that were covered were :

- 1) Importance of Selenium IDE
- 2) Selenium Testing Framework
- 3) How to write test cases and test suites with Selenium IDE framework
- 4) Selenium WebDriver framework etc...

Conclusion:

The session was very interesting for the students. They came to know how to use the selenium framework, selenium IDE and selenium webdriver and make use of this tool in testing web applications.
