An Alumni Talk on Session "**Scrum Master Toolbox**" was organized by MCA department, NHCE on 18<sup>th</sup> August 2023.

**Objective:**

On 18<sup>th</sup> August 2023, an Alumni Talk on "**Scrum Master Toolbox**" was conducted by Tajammul Khan in New Horizon College of Engineering to increase the knowledge. This program was hosted by Department of MCA, NHCE. It was held for students of MCA to provide an opportunity to learn ,install and use appropriate tools for Scrum Master

**Content:**

Alumni Talk on "**Scrum Master Toolbox**" aims to impart technical and practical knowledge to students and future software developers.

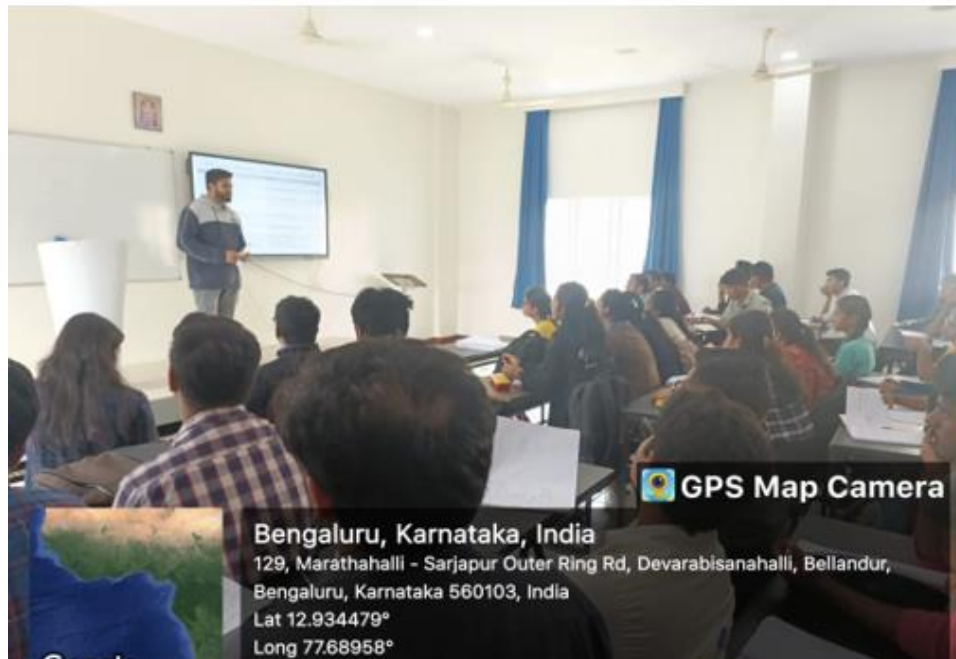

Mr. Tajammul Khan an Alumni working as Scrum Master in IBM pvt ltd. introduced the students to the basic tools of Scrum Master and demonstrated how Scrum masters serve as facilitators for agile teams working under the scrum methodology. They're the point person responsible for understanding the big development picture of each sprint. They bridge the needs of product management, sales, marketing, operations, and product development.

He gave an insight about his college days in new horizon and his work experience. He even gave tips to prepare for placement and as well how he is learning and trying to improve his work.

**Conclusion:**

The session provided long insight towards "**Scrum Master Toolbox**" concepts and usages of tools to work on it. This session has impacted much on students to explore much more in this field.
