<b>Remarks</b>			
<b>Objective (100 words)</b>	Objective of this event was to celebrate World Creativity and Innovation Day which is observed on April 21 <sup>st</sup> of every year to raise awareness about the importance of creativity and innovation in solving global problems. The day aims to promote the use of creative thinking in businesses, governments, and other organizations to foster innovation and growth.		
<b>Benefit in-terms of learning/skill/knowledge obtained</b>	The interactive session helped the students in identifying real-world problems, to think on making solutions for the problems, to create prototypes for the solution and then to convert the prototype to startup.
