Autonomous College Permanently Affiliated to VTU, Approved by AICTE & UGC  
Accredited by NAAC with 'A' Grade, Accredited by NBA

## Department of Master of Computer Applications

### Induction Programme for MCA 2024-2025 Batch

#### Programme Schedule

#### Day 1 - 04.12.2024

10.00 AM - 10.30 AM	Registration for the course
10.30 AM - 12.30 PM	PG Induction Programme
12.30 PM – 1.00 PM	Refreshment
01.00 PM - 02.00 PM	Campus Tour
02.00 PM - 03.30 PM	Innovations in Research Paper Publications <b>Dr. Vinoth Kumar K</b> Professor & Associate Head R & D
03.30 PM - 05.00 PM	Placement Orientation - Guidelines Department of HRD <b>Dr. Gurucharan Singh</b> Senior Executive Director – Corporate Relations, Learning and Development, Training, Placements and Consultancy.

## **Day 2 - 5.12.2024**

9:00 AM - 11:00 AM	Introduction to IPR & Design Thinking <b>Dr. Agalya V</b> Professor & Associate Head-R&D-NHCE
11:00 AM - 11:15 AM	Tea-break
11:15 AM - 12:00 PM	Event-Tech Hang out Final year students Shashank/Sushant
12:00 AM - 1:00 PM	Ice Breaking Session, <b>III- Sem Students</b>
1:00 PM - 02:00 PM	Lunch Break
02:00 PM - 03:30 PM	KSCST, External Participation <b>Dr. Arpana Prasad</b> Associate Professor, MCA
03:30 PM - 5:00 PM	Introduction to Student Clubs <b>Prof. Sathya J</b> Sr. Assistant Professor, MCA

## **Day 3 – 06.12.2024**

09:00 AM - 11:00 PM	Introduction to IIC <b>Dr. Sujin Jose</b> Associate Professor
11:00 AM - 11:15 AM	Tea-break
11:15 AM - 01:15 PM	Counselling Session <b>Ms. Anna Jogie</b> Student Counsellor
01:15 PM - 02:15 PM	Lunch Break
02:15 PM - 03:15 PM	Introduction of Faculty Members
03:15 PM - 04:30 PM	Placed Students Talk

#### **Day 4 – 09.12.2024**

09:00 AM - 11:00 AM	Insights to NPTEL <b>Dr. Vasumathi M T</b> Associate Professor, MCA
11:00 AM - 11:15 AM	Tea Break
11:15 AM - 01:00 PM	Autonomy and Guidelines Dress Code/Attendance/ Lab Guidelines Selection of Electives <b>Dr. V Asha</b> HOD-MCA
01:00 PM - 02.00 PM	Lunch Break
02.00 PM - 03.30 PM	Incubation Center, Dr. N Mithili Devi Associate Professor, MCA
03.30 PM - 05.00 PM	Student Activities III- Sem MCA

#### **Day 5– 10.12.2024**

09:00 AM - 11:00 AM	Introduction to Code Review Dr. Sukanya N S Sr. Assistant Professor, MCA
11:00 AM - 11:15 AM	Tea Break
11:15 AM - 01:15 PM	Mentoring Guidelines Prof. Kalaivani Sr. Assistant Professor, MCA
01.15 PM - 02.00 PM	Lunch Break
02:00 PM - 03:30 PM	Library Resource Utilization <b>Dr. Anitha Rai</b> Director -Library and Alumni Relations
03:30 PM - 05:00 PM	Alumni talk <b>Ankit Kumar</b> , Oracle Cerner

## Report

### Day 1: 04-12-2024

The first day of the bridge course consists of two sessions

#### **Session 1: Innovations in Research Paper Publications**

This session was conducted by Dr. Vinoth Kumar, Associate Head of R&D at NHCE. He provided an overview of the research activities taking place at both the college and departmental levels. He encouraged students to write research papers based on their project work and the domains or technologies they are interested in. Additionally, he emphasized the importance of filing patents and explained the procedure for doing so.

Dr. Kumar highlighted the advancements in technology in our daily lives and underscored the significance of publishing research papers in IEEE and Scopus-indexed journals. He also encouraged students to present their work at Scopus-indexed conferences and provided a brief overview of the procedures involved.

## **Session 2: Placement Orientation - Guidelines**

This session was conducted by Dr. Gurucharan Singh, Senior Executive Director – Corporate Relations, Learning and Development, Training, Placements, and Consultancy. He introduced students to the resources and support available for career planning and development. He shared valuable information on resume building, interview skills, and internship opportunities to help prepare students for the professional world.

Placement preparation for students begins as early as the first year, with mandatory placement training. This training includes quantitative aptitude, logical reasoning, verbal ability, and soft skills, ensuring students are well-prepared for the placement process. Career counseling sessions are also provided to help students identify their career paths, aligning them with their capabilities, academic performance, interests, and long-term goals.

The primary aim is to develop capable engineers and business managers equipped with essential life skills, such as solving complex problems, re-engineering processes, and adding value to businesses. Dr. Gurucharan Singh emphasized the importance of acquiring these life skills, which are imparted beyond the academic curriculum.

He also provided insights into the selection processes of various companies and stressed the importance of regular participation in all placement activities.

The first day ended up with the campus tour for the students.

## Day 2: 5-12-2024

There were five sessions on day 2 of the bridge course

### **Session 1: Introduction to IPR & Design Thinking**

The session was conducted by Dr. V. Agalya, Professor & Associate Head - R&D at NHCE, who introduced the topics of Intellectual Property Rights (IPR) and Design Thinking. She began the session with an interactive activity, grouping the students into pairs as Partner A and Partner B. The students were tasked with interacting within their groups to understand the importance of collaboration between customer requirements and designers in developing a product or model. In this exercise, the "Designer" created a model while the "Customer" provided their requirements.

Dr. Agalya further demonstrated the concept through a video presentation, helping students understand the relationship between design development and customer needs. She provided real-life examples, such as the apps UBER and OLA, which were developed by graduates from IIT Bombay.

Additionally, she discussed seven different types of Intellectual Property Rights, including patents, designs, and geographical indications, among others. The session concluded with an emphasis on innovation and the principles of design thinking.

## **Session 2: Event-Tech Hang out**

Tech Hangout is an engaging event that brings together tech enthusiasts to explore, share, and learn about the latest trends in technology. Participants take part in exciting technical activities such as Pic Quiz, Error Solving; Guess the Logo, and Tech Drawing. The event provides students with an opportunity to showcase and enhance their technical knowledge. The participants thoroughly enjoyed the session, making it both fun and enriching.

### **Session 3: Ice Breaking Session**

The fun-filled session was taken over by FOSS president Sushanth & Shashank thru a tech-quiz. They interacted with the students; they gave introduction about the clubs of MCA Dept, i.e., the FOSS club. Here the students of both the clubs gave an insight about each club and conducted some activities for the students on behalf of their clubs. They even encouraged them to join and participate in the club events.

#### **Session 4: Orientation on External Participation and KSCST Projects**

The session was conducted by Dr. Arpana Prasad, Associate Professor, Department of MCA, who spoke about the various club activities within the department. Students were introduced to a wide range of extracurricular activities, clubs, and societies, and were encouraged to actively participate in them to enhance their learning beyond academics.

Dr. Arpana also discussed the Karnataka State Council for Science and Technology (KSCST) project, highlighting its importance. She explained the procedure and guidelines for securing funding from KSCST and outlined the expectations from students in this regard.

## **Session 5: Introduction to Student Clubs**

The FOSS Club organized an introductory session for first-year students to provide insights into the club's mission, activities, and opportunities. The session began with an overview of the Free and Open Source Software (FOSS) Club, highlighting its objectives, such as promoting the use and development of open-source software, fostering a collaborative learning environment, and encouraging innovation and community contributions. Students were introduced to the various activities being conducted by the club, including workshops on programming and open-source tools, coding competitions, and expert talk with industry experts. These initiatives aim to enhance technical skills, provide real-world experience, and encourage teamwork and innovation.

The session also outlined the expectations from club members, emphasizing active participation, a willingness to learn. Freshers were given compelling reasons to join the FOSS Club, such as gaining technical expertise, building a strong portfolio through contributions to recognized open-source repositories, and developing problem-solving and communication skills. The process to join the club was made clear, encouraging students to attend meetings, register through official links, and stay connected via the club's social media platforms.

To make the session engaging, it ended with a series of fun and interactive activities designed to help freshers break the ice and foster a sense of camaraderie. The first-year students actively participated, displaying enthusiasm and eagerness to be part of the FOSS community. The session was both informative and enjoyable, setting the tone for an exciting journey ahead with the club.

### **Day 3: 06.12.2024**

The Bridge Course on the third day included four sessions mainly:

#### **Session 1: Introduction to IIC**

Dr. Sujin Jose, Associate Professor, conducted a session on the activities of the Institution's Innovation Council (IIC) and encouraged student participation.

The IIC aims to facilitate students in pursuing their passions and thinking beyond the traditional job market. Its efforts and orientation focus on fostering an Industry-Academia alliance, which helps students achieve excellence and reach the pinnacle of success.

#### **Session 2: Counseling**

An orientation session on Counseling Support was conducted for the first-semester MCA students.

Prof. Jincy C. Mathew, Senior Assistant Professor, Department of MCA, welcomed Ms. Anna Jogie, Student Counselor at NHCE, and introduced her to the students.

The session began with a logo identification activity, emphasizing the importance of observing the real-life environment around us. Ms. Jogie explained the concept of counseling, addressing common myths and misconceptions that persist. Through a brain activity, she demonstrated that it is perfectly normal to experience a range of emotions. She also highlighted the challenges faced by people in the students' age group, bringing to light the alarming statistic that India has one of the highest rates of depression due to the stigma around opening up and the lack of belief in counseling.

Ms. Jogie elaborated on how therapy and counseling can significantly improve mental health and detailed their benefits. She encouraged students to adopt and practice a few of the various strategies for enhancing mental well-being. She concluded by explaining the counseling process at the institution and emphasizing the importance of positive self-talk.

The session ended with Prof. Jincy C. Mathew expressing gratitude to the guest speaker for her insightful session. The MCA department extended its thanks to the Management and Principal for permitting this session as part of the Induction Programme.

### **Session 3: Introduction Faculty Members**

The session continued with faculty introductions, where the teachers handling various subjects for the first-year students introduced themselves. Each faculty member explained the importance of their respective courses and their relevance to the students' overall academic progression.

### **Session 4: Placement thoughts - Placed Students**

The session continued with a placement talk, during which students who had secured

placements in various companies shared their experiences and the challenges they faced during the interview process.

Mr. Sushanth, Mr. Shashank, Mr. Sumit, Mr. Niranth, and Mr. Arpith discussed their journeys, including their experiences with research paper publications, organizing and participating in club activities, and preparing for placements.

## **Day 4 – 09.12.2024**

### **Session 1: NPTEL/MOOC Courses and Guidelines**

This session was conducted by Dr. Vasumathi N.T., Associate Professor of the MCA Department. She provided an overview of online MOOC courses and their guidelines.

The session emphasized the mandatory MOOC courses that all students must complete to be eligible for graduation. Dr. Vasumathi explained the assessment pattern for MOOC courses and their integration as a Continuous Internal Evaluation (CIE) component for regular core and elective subjects. She also informed the students about the importance of timely submission of assignments for NPTEL courses and the associated weightage.

## **Session 2: Autonomy and Curriculum Guidelines**

The program commenced with an in-depth overview of the academic curriculum and syllabus, designed to provide students with a comprehensive understanding of the subjects and courses they would be undertaking.

Dr. V. Asha, Head of the Department (HOD) of MCA, inaugurated the session by presenting an overview of the MCA Department. Her address covered the following key points:

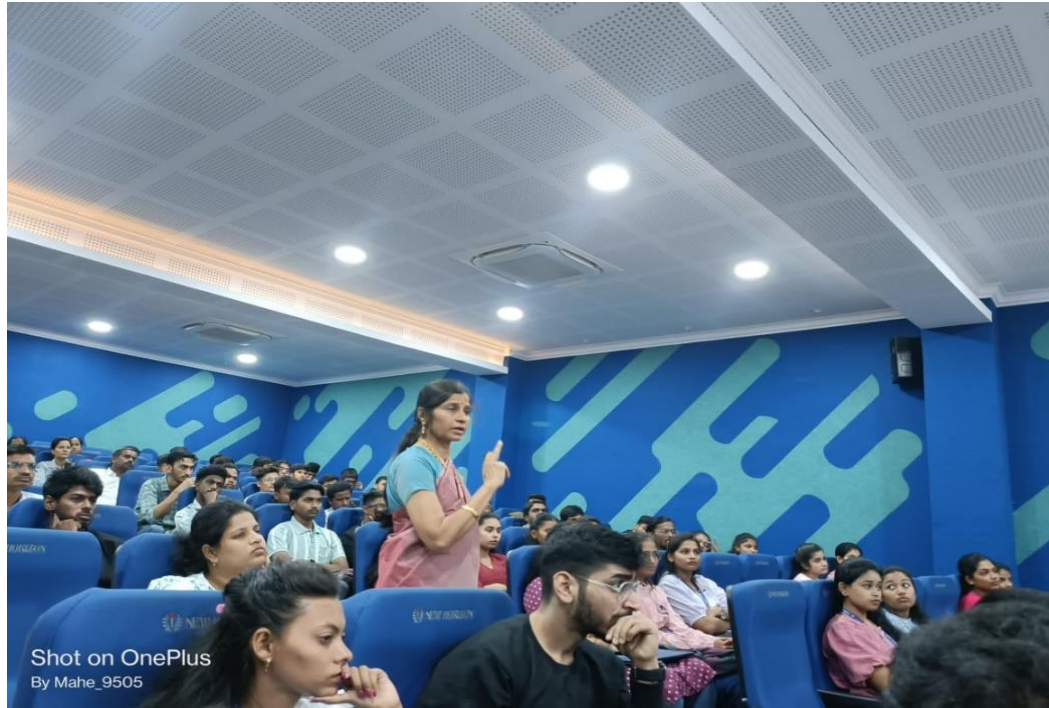

## 1. Credit Allocation

- Being an autonomous institution, the credit allocation for MCA graduates follows the VTU guidelines.

## 2. Syllabus Framing Process

- The syllabus is developed based on feedback from various stakeholders, including students, alumni, parents, academics, and industry professionals.
- A draft syllabus is then prepared.
- This draft is reviewed and refined in the Board of Syllabus meeting.
- Finally, the Academic Council Meeting (ACM) is conducted, during which the syllabus is finalized.

### **Session 3: Incubation**

The session on "The Self-Funded Incubation Center -New Horizon College of Engineering (NHCE)" was conducted by **Dr. Mithili Devi**, Associate Professor, Department of MCA.

Dr. Mithili Devi emphasized the center's role in fostering innovation and entrepreneurship, aligning with the vision of ‘**Atma Nirbhar Bharat Abhiyan**’ to create a self-reliant nation.

The NHCE Self-Funded Incubation Center provides critical support to aspiring entrepreneurs, including ideation support, mentorship, funding opportunities, and state-of-the-art co-working spaces. By nurturing job creators rather than job seekers, the center bridges the gap between academia and industry. It serves as a launch pad for students, faculty, and external participants to turn innovative ideas into sustainable businesses.

The session highlighted the center’s structured programs that equip innovators with essential skills, resources, and confidence. Dr. Mithili Devi emphasized the center's contribution to building a society driven by innovation, self-reliance, and entrepreneurial growth, shaping the nation’s economy and advancing global progress.

#### **Session 4: Student Activities**

FOSS club students conducted different activities to explore the participant's knowledge. The students participated actively in all the activities, displaying enthusiasm and energy throughout the event. Their engagement and teamwork made the session both memorable and successful, leaving a lasting impact on everyone involved.

*Debate* - Students passionately debated on contemporary topics, showcasing their critical thinking, communication, and reasoning skills. The activity encouraged participants to present their viewpoints

persuasively while respecting opposing opinions.

**Tech Quiz** - A fast-paced and exciting quiz that tested the participants' knowledge of technology, programming, and current innovations. Students demonstrated their expertise and quick thinking as they competed to answer challenging questions and earn top scores.

**Soft Swing** - A fun and interactive game that required creativity, teamwork, and coordination. This activity provided a refreshing break from the intense competition and fostered camaraderie among participants.

## Day 5– 10.12.2024

### **Session 1: Introduction to Code Review**

There are a few students from non-computer science backgrounds. To help them cope with the basics of computer science-oriented subjects, a bridge course on some technical subjects was conducted.

The session on Code Review was conducted by Ms. N.S. Sukanya, faculty member of the MCA Department. She highlighted the importance of the code review process in software development. Code review is a software quality assurance activity in which one or more people examines a program, primarily by viewing and reading parts of its source code, either after implementation or during the implementation process. Several examples were demonstrated by the faculty to help students understand the significance of code review.

## Session 2: Student Mentoring

The department facilitates students in sharing their thoughts with their mentors, who are assigned at the department level. Ms. Kalaivani, a faculty member from the MCA Department, explained the mentoring procedure. She informed the students about the mentor and mentee allotment process that takes place at the beginning of their course.

Students are encouraged to share their academic and personal concerns with their mentors. The mentor will provide guidance and suggestions to help students cope with their studies. If students require further assistance with emotional well-being, they will be referred to professional counselors assigned to the department for additional support.

### **Session 3: Library Resource Utilization**

The Library Orientation Program for first-semester MCA students was organized to provide a comprehensive understanding of the college's Library and Information Centre.

Dr. Anitha S. Rai, Director of Library and Alumni Relations, initiated the session by demonstrating the online portal for accessing library resources. She highlighted the various facilities offered by the library, including its rules, regulations, and operational timings. The session also covered details about the library's collection of books, project reports, research articles, journals, and magazines. Dr. Anitha S. Rai elaborated on the library's automated services, offering students insights into its efficient operations.

The session further introduced students to the Digital Library and its digital repository, which includes access to syllabi, notes, and question papers. She explained the steps and procedures for using tools such as the Lanquill grammar tool and institutional repositories, which are particularly useful for academic and research purposes. Additionally, the facility to download e-books and access daily newspaper clippings was discussed. The mobile app that enables seamless access to all digital library resources was also explained in detail.

The session was highly informative and provided valuable insights into the library's offerings and services, proving beneficial for all students.

#### **Session 4: Alumni talk**

The session was conducted by Mr. Ankit Kumar from Oracle Cerner, an alumnus of our department. He discussed the key topics that need to be emphasized for placements. He highlighted the importance of aptitude, logical reasoning, and technical skills.

The program concluded with a Vote of Thanks delivered by Dr. Sukanya N.S., Senior Assistant Professor, Department of MCA. The MCA Department extends its gratitude to the Management and Principal for their support in enabling this program as part of the department's induction activities.

  
**HOD-MCA**

Head of the Department  
Department of Master of Computer Applications  
NEW HORIZON COLLEGE OF ENGINEERING  
7th Road, Bellandur Post, Bengaluru - 560 102

**Co-ordinators**

Dr. Sukanya N S   
Prof. Jincy C Mathew   
Prof. Sathya J 

Functions of the FOSS club:

- Conduct events such as app development, coding, workshops, quizzes, and expert lectures that encourage participants to set challenging goals related to the domain of work.
- Help students realize certain specific goals by planning activities and work towards achieving those specific objectives.
- Encourage students to explore career opportunities through expert lectures and interaction with industry professionals.
- Involve students towards leadership opportunities at the club level through club designations like President, Vice-president, Treasurer and Member.
- Provide opportunity to students to manage the budget, inventory and communications related to the events every year.
