REPORT ON INDUSTRIAL VISIT PROGRAMME

Date: 27th Feb 2025

Subject: Report on Industrial Visit to ZongoVita

Place: ZongoVita, Vasanth Nagar, Bangalore.

No. of Students: 40

Introduction about ZongoVita

ZongoVita redefines Asset Reliability and System Efficiency by integrating AI and IoT in connected built spaces. In the era of smart factories and buildings, it enables a real-time, microscopic view of data, ensuring seamless operations and predictive maintenance. By shifting from reactive to prescriptive (RxM) maintenance, ZongoVita helps prevent failures before they occur, optimizing OPEX, CAPEX, and Asset Management. Its AI-driven solutions minimize downtime, defects, and expensive repairs, leading to heightened productivity, energy efficiency, and cost savings.

Built by experts in Reliability Engineering, Energy Management, and IoT, ZongoVita brings decades of Industry experience in serving large-scale critical environments. Its cutting-edge technology and expertise make it a game-changer in Asset Management and Operational Efficiency.

Objectives

- *Understand AI and IoT in Asset Management* – Gain insights into how Artificial Intelligence (AI) and the Internet of Things (IoT) optimize asset reliability and system efficiency in smart environments.

- *Explore Predictive Maintenance (RxM) Techniques* – Learn about the transition from reactive to prescriptive maintenance and how real-time data analysis helps prevent failures before they occur.
- *Analyze Industrial Applications of Smart Technologies* – Examine how AI-driven monitoring enhances OPEX, CAPEX, and overall operational efficiency in large-scale critical environments.
- *Bridge the Gap Between Academia and Industry* – Understand real-world applications of IoT, Reliability Engineering, and Energy Management, preparing students for future technological advancements and career opportunities.

About the Visit

The Department of Master of Computer Applications at New Horizon College of Engineering organized a student visit to Zongovita on February 27th 2025. A total of 40 1st and 3rd Semester MCA students, accompanied by two faculty members, travelled by a college-provided bus for the full-day visit.

The journey commenced at 09:00 AM, reaching the destination by 11:00 AM. Upon arrival, Mr. Ravi, the CEO of ZongoVita Tech Private Limited, introduced the company and conducted an interactive session for the students in the conference room. Later, they had an insightful question-answer session with Mr. Sanjay, Founder of ZongoVita, in which the students got inspired by his optimistic and disciplined approach towards his professional life where character and competence are given topmost priority.

Outcome

- The students learned how AI-powered solutions enhance OPEX, CAPEX, and Asset Reliability, driving productivity and sustainable business growth.
- Through an engaging session with Mr. Ravi, CEO of ZongoVita, students learned about the latest industry work practices and operational strategies.
- Students gained valuable insights into Workplace Ethics and Corporate Culture, essential for their professional development.
- The Q&A session with Mr. Sanjay, Founder of ZongoVita, motivated students to develop a disciplined and optimistic approach toward their careers.
- Students understood the importance of integrity, skill development, and professionalism, which are crucial for career growth and success in the Industry.
