<b>Objective (100 words)</b>	The objective of conducting the expert talk on the Entrepreneurship Awareness Program for MCA students was to introduce them to the fundamentals of entrepreneurship and inspire them to consider entrepreneurial ventures as a career option. The session aimed to provide insights into the challenges and opportunities of starting and running a business, with a focus on the skills, mindset, and strategies needed for success. It also aimed to highlight the role of technology and innovation in modern entrepreneurship, especially in the context of the IT and software industry. By the end of the session, students had a clearer understanding of how to evaluate business ideas, seek funding, and navigate the entrepreneurial ecosystem.		

<b>Benefit in-terms of learning/skill/knowledge obtained</b>	<p>The session helped to create awareness about entrepreneurship among students. The students were able to understand the key benefits in choosing entrepreneurship as a career. The session also helped students to understand the strategies to be followed for becoming a successful entrepreneur. The session also has thrown light into the resources which will help students in building and running a successful entrepreneurship.</p>
