Revised-CIRCULAR

Subject: Registration for Internship on VTU Internship Portal - MCA IV Semester regarding...

Reference: The Hon'ble Vice-Chancellor's approval: 30.12.2025

Sir/ Madam,

It is hereby informed that all MCA IV Semester entering students are required to select the organization/company for their Internship through the VTU Internship Portal. For selection and confirmation of the organization, students are advised to use the following links:

<http://internships.vtu.ac.in> or <http://vtu.internycet.in/>

Each college offering the MCA programme shall nominate one departmental Internship Coordinator. The Internship Coordinator shall guide students in portal registration and in finalization of the organization for internship. The procedure shall be the same as that prescribed for UG programme students.

Accordingly, the Principals / Heads of the Institutions are informed to instruct all MCA IV Semester going students to register and finalize the internship organization on the VTU Internship Portal on or before 31.01.2026.

Registration on the VTU Internship Portal is **mandatory** for undertaking the internship.

CIRCULAR

Subject: Selection and finalization of the organization/company for internship for MCA programme 4th semester students regarding...
Reference: VTU/BGM/BOS/.../887/2025-26/5181, dated: 31.12.2026

This is in reference to the subject mentioned above. The registration process and selection of the company/organization for the **Internship** were already communicated to all **IV Semester MCA programme students** vide the circular referred to above.

However, it is observed that a few students are still enquiring about the last date for selection/finalization of the company/organization.

In this connection, it is hereby informed that the semester has already commenced from 02.02.2026, and all IV Semester MCA students are required to undergo an internship of 90 days (15 weeks) duration as per the scheme.

Accordingly, students who have not yet registered and/or not finalized the organization for internship are hereby informed that the **last date to finalize the company/organization for internship is 11.02.2026**.

No further extension of time shall be considered beyond the above date.

All Principals of all engineering colleges under the ambit of the University are hereby requested to bring the contents of this circular to the notice of all concerned students and faculty mentors guiding them for internship, for strict compliance.

Subject: Registration for Internship on VTU Internship Portal - MCA IV Semester regarding...

Reference: The Hon'ble Vice-Chancellor's approval: 30.12.2025

Sir/ Madam,

It is hereby informed that all MCA IV Semester entering students are required to register for the Internship through the VTU Internship Portal: <http://internships.vtu.ac.in>

Each department offering the MCA programme shall nominate one Internship Coordinator, similar to the procedure followed for UG programmes. The Internship Coordinator shall guide the students for portal registration and for finalization of the organization for internship. The procedure shall be the same as that prescribed for UG programme students.

Accordingly, the Principals / Heads of the Institutions are informed to instruct all MCA IV Semester going students to register and finalize the internship organization on the VTU Internship Portal within the stipulated time period from 05.01.2026 to 31.01.2026.

Registration on the VTU Internship Portal is mandatory for undertaking the internship.

Internship Letter

Dear Arpita,

I am pleased to offer you the **Intern** position at Agione Technologies. We are super psyched to have you on the team.

We are confident that your skills and enthusiasm will align with our mission to build state-of-the-art coding agents, helping our teams achieve more in less time.

Position Details:

Joining Date: February 3, 2026

Location: Bangalore

Compensation: Your fixed compensation is **INR 30,000 (Thirty Thousand Only) monthly**. (subject to applicable tax deductions and withholdings)

Terms and Conditions:

1. This position is subject to a 6 months internship period ending on August 1, 2026 where either parties can provide two weeks' notice for early termination.
2. All company policies and procedures must be adhered to and complied with.
3. CONFIDENTIALITY & INTELLECTUAL PROPERTY

3.1 You agree and undertake that:

- (a) You shall not during the term of this Agreement or at any time thereafter, divulge or make use of any trade secret or confidential information concerning the business, financial position, strategies, plans, contracts, transactions, negotiation, sales, marketing methods, confidential techniques and processes of the Company or any Group Company or their respective Affiliates, details of products and services being developed, including research and development reports, any technology developed or used by the Company or any Group Company, or their respective Affiliates, details of salaries, bonuses, commissions and other employment terms, or any of the Company's or any Group Company's, or their respective Affiliate's dealings, transactions and affairs or any information concerning any of its suppliers, vendors, agents, distributors or customers which you possess or come to possess while in the employment of the Company

or which you may make or discover while in the service of the Company and that you shall also use your best endeavours to prevent any other person from doing so;

- (b) All data, documents, plans, drawings, photographs, reports, statements, correspondence, etc. and technical information, know-how and instructions as well as business details or commercial policies that pass to you or which come to your knowledge shall be treated as confidential and you shall be bound to keep secret all such confidential matters including papers and documents, compact drives or other media containing the same and shall not copy, disclose, communicate, reproduce or distribute the same or copies thereof to anyone, including other Interns/ employees/ consultants of the Company, except in the course of the rightful discharge of your duties towards the Company and shall immediately return the same to the Company upon request;
- (c) You shall not, at any time, after the termination of this Agreement in any way make known or divulge to any person, firm or body corporate any of the methods, systems or other information of any kind in relation to the affairs of the Company whether such information is or was acquired by you before commencement of employment with the Company, in the course of employment hereunder or otherwise;
- (d) Ownership of, and all right, title, and interest in, all work product, improvements, developments, discoveries, proprietary information, trademarks, trade names, logos, art work, slogans, know-how, processes, methods, trade secrets, source code, application development, designs, drawings, plans, business plans or models, blue prints (whether or not registrable and whether or not design rights subsist in them), utility models, works in which copyright may subsist (including computer software and preparatory and design materials thereof), inventions (whether patentable or not, and whether or not patent protection has been applied for or granted) and all other intellectual property throughout the world, in and for all languages, including but not limited to computer and human languages developed or created from time to time by or for the Company by you, whether before or after commencement of employment with the Company shall be deemed to be 'work for hire' (the Intellectual Property) and shall vest in the Company.
- (e) All Intellectual Property created by you shall be regarded as having been made under a contract of service and the title, interest, and ownership of all the Intellectual Property created by you shall vest solely with the Company. You agree that the Company shall have the right to edit, copy, add to, take from, adapt, alter, and translate the Intellectual Property assigned to it under (f) below.
- (f) In consideration of your employment with the Company, you hereby transfer and assign in favour of the Company, all rights, title and interest in and to all the Intellectual Property, together with the rights to sublicense or transfer any and all rights assigned hereunder to third parties, in perpetuity. You agree that such assignment shall be perpetual, worldwide and royalty free. You hereby waive all moral rights that you have in the Intellectual Property. Notwithstanding the provisions of Section 19(4) of the Copyright Act, 1957, such assignment in so far as it relates to copyrightable material shall not lapse nor the rights transferred therein revert to you, even if the Company does not exercise the rights under the assignment within a period of one year from the date of assignment. You further acknowledge and agree that he shall waive any right to and shall not raise any objection or claims to the Copyright Board with respect to the

assignment, pursuant to Section 19A of the Copyright Act, 1957. You also agree to assist and cooperate with the Company in perfecting the Company's rights in the Intellectual Property;

- (g) You shall forthwith communicate to the Company and transfer to it the exclusive benefit of all inventions, discoveries and improvements which you may make or discover during the continuance of engagement relating to the Company's trade or business and shall give full information as to the exact mode of working and usage of the same and also all such explanation and instructions, to the officers and workmen of the Company as may be necessary to enable them to work the same effectively and shall, at the expense of the Company, furnish it with all necessary plans, drawings and models;
- (h) You shall comply with the data protection policies of the Company when processing data in the course of his employment including data relating to any Intern, customer, client, supplier or agent of the Company or any Group Company or their respective Affiliates; and
- (i) You shall, whenever requested to do so by the Company, whether during or after the termination of employment hereunder, at the cost of the Company, execute and sign any and all applications, assignments, powers of attorney and other instruments which the Company may deem necessary or advisable in order to apply for and to obtain letters, patent, design, registration or other forms of protection for the aforesaid improvements, inventions, discoveries and the Intellectual Property in such countries as the Company may direct and to vest in the Company the whole, right, title and interest therein. You agree that if the Company is unable to secure your signature on any instruments, the Company shall be entitled to execute any such instruments as your agent and you hereby irrevocable designate and appoints the Company as your agent to execute any such instruments on your behalf, and to take any and all actions as the Company may deem necessary or desirable in order to protect its rights and interests in the Intellectual Property and any improvements, inventions and discoveries attributable to you.
- (j) To the extent you use any pre-existing Intellectual Property in the course of your employment duties, the Company will receive a broad license to such pre-existing Intellectual Property as necessary to fully exploit the inventions created by you.

3.2. You agree and understand that the Company may use various modes to ensure that internet, email facilities and other communication systems provided by the Company are used in an appropriate manner. These may include the scanning, reading, inspection, scrutiny of emails sent and received, and web sites visited or created by you. For the avoidance of doubt, and for the limited purpose of safeguarding the Company's confidential and proprietary information, the Company shall have the right to monitor and any personal e-mail or social media forum that may be accessible to you from the Company including but not limited to Gmail, AOL, Hotmail, Yahoo, Facebook, Myspace, Twitter, etc. and you hereby provide consent for the same.

3.3. You acknowledge that the Company has, or may from time to time, implement a "bring your own device" policy for all or some of its Interns whereby you may be required to use their own personal computer, laptop computer, tablet computer, smartphone or any other electronic device or any magnetic or optical disk or memory ("Electronic Device") to carry out the work of the Company.

Agione Technologies Private Limited

B-1103, Salarpuria Sattva Magnificia, 78, Tin Factory, Old Madras Rd,
Next to KR Puram, Pai Layout, Mahadevapura,
Bengaluru, Bangalore North, Karnataka, 560016

You agree that in addition to the provisions of the “bring your own device” policy implemented by the Company, the provisions of Clause 5.1 and Clause 5.2 above shall expressly be applicable to any and all personal Electronic Devices used by you for undertaking any work of the Company, including but not limited to the Company having ownership of, and all right, title, and interest in, all Intellectual Property created or stored by you within such personal Electronic Devices. Further, you agree that in order to ensure security of the Company’s information, data and Intellectual Property, the Company shall have the right to install such security software as it may deem appropriate on your personal Electronic Devices and you shall neither object to the installation of such software nor uninstall or disable it without the Company’s prior written consent. The Company shall have the right to review or retain all data related to the Company, stored on your personal Electronic Devices, or to release such data to government agencies or third parties.

3.4. You agree that any information communicated by you to the Company shall be on a non-confidential basis without giving rise to any obligation or restriction on the Company to use or disclose such information to any third party. You further agree that in the event that any information communicated by you to the Company, other than any publicly available generic or open source codes used by you in development of software, belongs to another party, or to the best of your knowledge, is subject to any intellectual property rights of a third party, you shall inform the Company of such rights at the time of communication of such information and will indemnify the Company against any taxes, losses, damages, claims, interests, costs, expenses, liabilities, proceedings and demands which the Company may suffer as a consequence of any third party claim for ownership of or for infringement of any intellectual property rights of a third party in respect of, any information or material which you have communicated to the Company during the term of this Agreement, and where you have failed to inform the Company of the existence of such ownership or intellectual property rights of a third party in respect of such information or materials. Notwithstanding anything contained in this Agreement, you shall be entitled to retain physical copies of any notices issued by you to the Company pursuant to this Clause 3.4.

3.5. Prior to submission or disclosure for possible publication or dissemination outside the Company any material prepared by you that incorporates information that concerns the Company's business or future business, you agree to deliver a copy of such material to an officer of the Company for his or her review. The Company agrees to notify you whether the Company believes such material contains any proprietary or confidential information, and Intern agrees to make such deletions and revisions as are reasonably requested by the Company to protect its proprietary information. You further agree to obtain the consent of the Company prior to any review of such material by persons outside the Company.

Please review this offer and let us know if you have any questions. To confirm your acceptance, kindly sign and return the attached agreement within 48 hours.

Dear Bharavi Shukla,

Sub: Letter of Offer

We are pleased to offer you the position of **"Test Engineer"** in our Company on a contract basis from 19-Feb-2026 to 30-06-2027 which may be extended further.

Your compensation & benefits are as per Annexure A attached herewith. Your salary is strictly confidential.

You will be eligible for benefits/statutory contributions as per the Company's policies, i.e., PF Employer contributions as per Employee's Provident Scheme, 1952, ESI (If applicable) as per Employee State Insurance Act 1948.

The performance of the employee will be evaluated for a probation period of three months from the date of joining. During this probation period, the management will assess the employee's performance, conduct, and adherence to the role's responsibilities and organizational standards. Based on this assessment, the management will decide on the continuation or termination of the employee's contract. If the employee's contract is continued following this evaluation process, all other terms and conditions of this offer shall remain unchanged. The decision of the management shall be final and binding.

Your services may be terminated at any time by giving 60 days' notice, by either side. The period of such notice is to be counted from the day such notice is received. In the event of your resigning from the Company's services without giving 60 days' notice, you are bound to pay your two-month's basic salary to the Company. However, the Company, in its sole discretion, may relieve you earlier than the date requested by you.

We look forward to having you on board and the significant contribution you will make to the continued success of Duru Cooperation Private Limited. Please acknowledge your acceptance of this offer by signing a duplicate copy of this letter.

Regards & Best Wishes,

For Duru Cooperation Private Limited

Yongjoo Yoo
Chief Executive Officer

The above terms and conditions are accepted by:

Internship Letter

Dear Karishma,

I am pleased to offer you the **Intern** position at Agione Technologies. We are super psyched to have you on the team.

We are confident that your skills and enthusiasm will align with our mission to build state-of-the-art coding agents, helping our teams achieve more in less time.

Position Details:

Joining Date: February 3, 2026

Location: Bangalore

Compensation: Your fixed compensation is **INR 30,000 (Thirty Thousand Only) monthly**. (subject to applicable tax deductions and withholdings)

Terms and Conditions:

1. This position is subject to a 6 months internship period ending on August 1, 2026 where either parties can provide two weeks' notice for early termination.
2. All company policies and procedures must be adhered to and complied with.
3. CONFIDENTIALITY & INTELLECTUAL PROPERTY

3.1 You agree and undertake that:

- (a) You shall not during the term of this Agreement or at any time thereafter, divulge or make use of any trade secret or confidential information concerning the business, financial position, strategies, plans, contracts, transactions, negotiation, sales, marketing methods, confidential techniques and processes of the Company or any Group Company or their respective Affiliates, details of products and services being developed, including research and development reports, any technology developed or used by the Company or any Group Company, or their respective Affiliates, details of salaries, bonuses, commissions and other employment terms, or any of the Company's or any Group Company's, or their respective Affiliate's dealings, transactions and affairs or any information concerning any of its suppliers, vendors, agents, distributors or customers which you possess or come to possess while in the employment of the Company

or which you may make or discover while in the service of the Company and that you shall also use your best endeavours to prevent any other person from doing so;

- (b) All data, documents, plans, drawings, photographs, reports, statements, correspondence, etc. and technical information, know-how and instructions as well as business details or commercial policies that pass to you or which come to your knowledge shall be treated as confidential and you shall be bound to keep secret all such confidential matters including papers and documents, compact drives or other media containing the same and shall not copy, disclose, communicate, reproduce or distribute the same or copies thereof to anyone, including other Interns/ employees/ consultants of the Company, except in the course of the rightful discharge of your duties towards the Company and shall immediately return the same to the Company upon request;
- (c) You shall not, at any time, after the termination of this Agreement in any way make known or divulge to any person, firm or body corporate any of the methods, systems or other information of any kind in relation to the affairs of the Company whether such information is or was acquired by you before commencement of employment with the Company, in the course of employment hereunder or otherwise;
- (d) Ownership of, and all right, title, and interest in, all work product, improvements, developments, discoveries, proprietary information, trademarks, trade names, logos, art work, slogans, know-how, processes, methods, trade secrets, source code, application development, designs, drawings, plans, business plans or models, blue prints (whether or not registrable and whether or not design rights subsist in them), utility models, works in which copyright may subsist (including computer software and preparatory and design materials thereof), inventions (whether patentable or not, and whether or not patent protection has been applied for or granted) and all other intellectual property throughout the world, in and for all languages, including but not limited to computer and human languages developed or created from time to time by or for the Company by you, whether before or after commencement of employment with the Company shall be deemed to be 'work for hire' (the Intellectual Property) and shall vest in the Company.
- (e) All Intellectual Property created by you shall be regarded as having been made under a contract of service and the title, interest, and ownership of all the Intellectual Property created by you shall vest solely with the Company. You agree that the Company shall have the right to edit, copy, add to, take from, adapt, alter, and translate the Intellectual Property assigned to it under (f) below.
- (f) In consideration of your employment with the Company, you hereby transfer and assign in favour of the Company, all rights, title and interest in and to all the Intellectual Property, together with the rights to sublicense or transfer any and all rights assigned hereunder to third parties, in perpetuity. You agree that such assignment shall be perpetual, worldwide and royalty free. You hereby waive all moral rights that you have in the Intellectual Property. Notwithstanding the provisions of Section 19(4) of the Copyright Act, 1957, such assignment in so far as it relates to copyrightable material shall not lapse nor the rights transferred therein revert to you, even if the Company does not exercise the rights under the assignment within a period of one year from the date of assignment. You further acknowledge and agree that he shall waive any right to and shall not raise any objection or claims to the Copyright Board with respect to the

assignment, pursuant to Section 19A of the Copyright Act, 1957. You also agree to assist and cooperate with the Company in perfecting the Company's rights in the Intellectual Property;

- (g) You shall forthwith communicate to the Company and transfer to it the exclusive benefit of all inventions, discoveries and improvements which you may make or discover during the continuance of engagement relating to the Company's trade or business and shall give full information as to the exact mode of working and usage of the same and also all such explanation and instructions, to the officers and workmen of the Company as may be necessary to enable them to work the same effectively and shall, at the expense of the Company, furnish it with all necessary plans, drawings and models;
- (h) You shall comply with the data protection policies of the Company when processing data in the course of his employment including data relating to any Intern, customer, client, supplier or agent of the Company or any Group Company or their respective Affiliates; and
- (i) You shall, whenever requested to do so by the Company, whether during or after the termination of employment hereunder, at the cost of the Company, execute and sign any and all applications, assignments, powers of attorney and other instruments which the Company may deem necessary or advisable in order to apply for and to obtain letters, patent, design, registration or other forms of protection for the aforesaid improvements, inventions, discoveries and the Intellectual Property in such countries as the Company may direct and to vest in the Company the whole, right, title and interest therein. You agree that if the Company is unable to secure your signature on any instruments, the Company shall be entitled to execute any such instruments as your agent and you hereby irrevocable designate and appoints the Company as your agent to execute any such instruments on your behalf, and to take any and all actions as the Company may deem necessary or desirable in order to protect its rights and interests in the Intellectual Property and any improvements, inventions and discoveries attributable to you.
- (j) To the extent you use any pre-existing Intellectual Property in the course of your employment duties, the Company will receive a broad license to such pre-existing Intellectual Property as necessary to fully exploit the inventions created by you.

3.2. You agree and understand that the Company may use various modes to ensure that internet, email facilities and other communication systems provided by the Company are used in an appropriate manner. These may include the scanning, reading, inspection, scrutiny of emails sent and received, and web sites visited or created by you. For the avoidance of doubt, and for the limited purpose of safeguarding the Company's confidential and proprietary information, the Company shall have the right to monitor and any personal e-mail or social media forum that may be accessible to you from the Company including but not limited to Gmail, AOL, Hotmail, Yahoo, Facebook, Myspace, Twitter, etc. and you hereby provide consent for the same.

3.3. You acknowledge that the Company has, or may from time to time, implement a "bring your own device" policy for all or some of its Interns whereby you may be required to use their own personal computer, laptop computer, tablet computer, smartphone or any other electronic device or any magnetic or optical disk or memory ("Electronic Device") to carry out the work of the Company.

AgioneTechnologies Private Limited

B-1103, Salarpuria Sattva Magnificia, 78, Tin Factory, Old Madras Rd,
Next to KR Puram, Pai Layout, Mahadevapura,
Bengaluru, Bangalore North, Karnataka, 560016

You agree that in addition to the provisions of the “bring your own device” policy implemented by the Company, the provisions of Clause 5.1 and Clause 5.2 above shall expressly be applicable to any and all personal Electronic Devices used by you for undertaking any work of the Company, including but not limited to the Company having ownership of, and all right, title, and interest in, all Intellectual Property created or stored by you within such personal Electronic Devices. Further, you agree that in order to ensure security of the Company’s information, data and Intellectual Property, the Company shall have the right to install such security software as it may deem appropriate on your personal Electronic Devices and you shall neither object to the installation of such software nor uninstall or disable it without the Company’s prior written consent. The Company shall have the right to review or retain all data related to the Company, stored on your personal Electronic Devices, or to release such data to government agencies or third parties.

3.4. You agree that any information communicated by you to the Company shall be on a non-confidential basis without giving rise to any obligation or restriction on the Company to use or disclose such information to any third party. You further agree that in the event that any information communicated by you to the Company, other than any publicly available generic or open source codes used by you in development of software, belongs to another party, or to the best of your knowledge, is subject to any intellectual property rights of a third party, you shall inform the Company of such rights at the time of communication of such information and will indemnify the Company against any taxes, losses, damages, claims, interests, costs, expenses, liabilities, proceedings and demands which the Company may suffer as a consequence of any third party claim for ownership of or for infringement of any intellectual property rights of a third party in respect of, any information or material which you have communicated to the Company during the term of this Agreement, and where you have failed to inform the Company of the existence of such ownership or intellectual property rights of a third party in respect of such information or materials. Notwithstanding anything contained in this Agreement, you shall be entitled to retain physical copies of any notices issued by you to the Company pursuant to this Clause 3.4.

3.5. Prior to submission or disclosure for possible publication or dissemination outside the Company any material prepared by you that incorporates information that concerns the Company's business or future business, you agree to deliver a copy of such material to an officer of the Company for his or her review. The Company agrees to notify you whether the Company believes such material contains any proprietary or confidential information, and Intern agrees to make such deletions and revisions as are reasonably requested by the Company to protect its proprietary information. You further agree to obtain the consent of the Company prior to any review of such material by persons outside the Company.

Please review this offer and let us know if you have any questions. To confirm your acceptance, kindly sign and return the attached agreement within 48 hours.

Dear Koyalakuntla Harshitha,

Sub: Letter of Offer

We are pleased to offer you the position of “**Test Engineer**” in our Company on a contract basis from 19-Feb-2026 to 30-06-2027 which may be extended further.

Your compensation & benefits are as per Annexure A attached herewith. Your salary is strictly confidential.

You will be eligible for benefits/statutory contributions as per the Company’s policies, i.e., PF Employer contributions as per Employee’s Provident Scheme, 1952, ESI (If applicable) as per Employee State Insurance Act 1948.

The performance of the employee will be evaluated for a probation period of three months from the date of joining. During this probation period, the management will assess the employee's performance, conduct, and adherence to the role's responsibilities and organizational standards. Based on this assessment, the management will decide on the continuation or termination of the employee's contract. If the employee's contract is continued following this evaluation process, all other terms and conditions of this offer shall remain unchanged. The decision of the management shall be final and binding.

Your services may be terminated at any time by giving 60 days’ notice, by either side. The period of such notice is to be counted from the day such notice is received. In the event of your resigning from the Company’s services without giving 60 days’ notice, you are bound to pay your two-month’s basic salary to the Company. However, the Company, in its sole discretion, may relieve you earlier than the date requested by you.

We look forward to having you on board and the significant contribution you will make to the continued success of Duru Cooperation Private Limited. Please acknowledge your acceptance of this offer by signing a duplicate copy of this letter.

Regards & Best Wishes,

For Duru Cooperation Private Limited

CTC (II+III) Total Annual Compensation	403,000

✂ Income tax deduction will be as per the slab defined under the Income tax department.

Leave & Other benefits are as follows:

- Leave Entitlement of 24 days for the contractual period on a pro-rata as applicable. Earned Leave maximum 12 days (50% must avail, 50% encashable if not used at the end of contractual assignment) & Other Leave maximum 12 days (not encashable) if served full contractual assignment or pro data as applicable. No Leave is to be carried forward at the end of the contractual assignment.
- Other Miscellaneous leave as per Company Policy.
- Medical Insurance premium for self & family upto 5.5 lacs per annum as per Company policy.
- The performance of the employee will be evaluated for a probation period of three months from the date of joining. During this probation period, the management will assess the employee's performance, conduct, and adherence to the role's responsibilities and organizational standards. Based on this assessment, the management will decide on the continuation or termination of the employee's contract. If the employee's contract is continued following this evaluation process, all other terms and conditions of this offer shall remain unchanged. The decision of the management shall be final and binding.

23 December, 2025

Dear Meghana,

Internship Offer and Agreement

We are pleased to offer you a position as an Intern with **Spaulding Ridge Advisory India Pvt. Ltd. Anand Fort, 3, Indira Place, JLN Marg, Malviya Nagar, Jaipur- 302017, Rajasthan (India)**, on the terms set out in this agreement.

1. INTERNSHIP

- 1.0 Your internship training program will include training and focus primarily on learning and developing new skills and gaining a deeper understanding of business concepts. You should use your best efforts in performing and delivering the tasks. During the tenure of internship, you should work closely with your reporting manager.
- 1.1 During your internship you will be interacting with other employees of our organization on a regular basis and hence you are expected to comply with all applicable rules & regulations as enforced from time to time in respect of the matter not covered by this agreement. Spaulding ridge India's decision on all such matters will be final and binding on you.
- 1.2 It is clarified that you are not an "employee" for the purposes of any employment statute and there is no assurance or guarantee that you will be employed within our organisation upon completion of the agreement.
- 1.3 The internship is subject to the following: (i) you are to be found to be medically fit for employment; (ii) background verification is to the satisfaction of the Company, including criminal, educational and reference checks; and (iii) submission of relevant documents, as may be requested by the Company, on or before the Commencement Date.

2. PLACE OF WORK

The normal place of work of the Employee will be at the Company's office in Bangalore . However, the Company reserves the right to require the Employee to work from home, either temporarily or permanently.

3. TENURE OF INTERNSHIP

Your internship training program is scheduled to start from 12 January, 2026 for a period of 6 months, ending on July 20, 2026.

4. STIPEND AND CERTIFICATION

During your internship training program, you will be paid a stipend of INR 20,000/- per month. You will however will not be entitled to any other allowances or benefits given to regular employees at Spaulding Ridge Advisory India Pvt. Ltd. On your successful completion of internship training program, you will be

**All Business is
Personal.**

provided an internship certificate.

5. WORKING HOURS, LEAVE & HOLIDAYS

- 5.0 The working hours will be as per the applicable policies which generally require 8 working hours per day and 40 hours a week. However, the Company reserves the right to require the interns to work different or longer hours and/or at weekends or other public holidays, if necessary, for the proper performance of your duties, subject to and in accordance with applicable laws.
- 5.1 During your internship in case you require to take leave for any personal emergencies you will be provided with 1 leave of absence per month. The leave must be approved by reporting manager in advance. You will be entitled to holidays as per the policies of the Company.

6. TERMINATION

- 6.0 During your internship program, either party may terminate this Agreement by giving two (2) weeks' notice in writing.
- 6.1 Company shall be entitled to terminate this Agreement with immediate effect without prior notice, if you are guilty of dishonesty or serious or persistent misconduct, or without reasonable cause neglect or refuse to attend to your duties or fail to perform any of your obligations hereunder or fail to observe company's disciplinary rules or any other applicable regulations.

7. RETURN OF PROPERTY

- 7.0 Upon expiry or early termination of this agreement, you shall immediately return to the Company (or its authorised representative) any property of the Company, whether in electronic or physical form, which may be in the Employee's possession, custody or control including without limitation, all documents, correspondence, records, notes, reports, equipment, business cards, keys, company vehicle, security, ID Card and computer passes, credit or charge cards, laptops, mobile telephones, vehicles (including its keys and documentation) and any copies thereof, which belongs to the Company or contains Confidential Information (as defined hereinafter) about the Company, its employees, staff, representatives, directors and/ or affiliates.
- 7.1 For the loss of any property of company in your possession, company will have a right to assess the value of the loss on its own basis and recover the damages as it deems proper in the event of your failure to account for such material or property to its satisfaction.

8. LIMITED AUTHORITY

You will not enter into any commitments or dealings on behalf of Company or be a party to any alteration of any principle or policy or exceed the authority or direction vested in you without the previous sanction of Company or those in authority over you. Any violation of this may lead to termination of your internship program with immediate effect.

9. DATA PROTECTION

- 9.0 As a part of your background check, as well as during the course of your internship with Company, Company may collect personal information, including but not limited to, your identifying, tax, banking, employment, and health data necessary for the internship and compliance with its legal obligations imposed on the Company.

- 9.1 The personal data provided, as well as any other data provided in the future, will be part of a database controlled by the Company, for the following purposes:
- Manage your relationship with the company.
 - Process payroll payments.
 - Fulfill obligations related to your health surveillance and occupational risk prevention.
 - Monitor absenteeism.
 - Comply with tax, social security, labor, employment, and any other applicable regulations.
 - Perform background checks as required by regulations and clients.
 - Facilitate communication during the normal course of the internship.
 - Promote opportunities for geographical and functional mobility, as well as professional advancement within the group entities.
 - Comply with any provisions arising from the intern relationship, meet legal obligations, and keep records updated.
- 9.2 The company may also process your data related to gender, age, disability, professional category, salary range, and other specified information in an aggregated and non-identifiable manner to fulfill the obligations imposed on the company.
- 9.3 The company will collect and process your health data as necessary for calculating personal income tax withholding or any other aspect related to the calculation and management of the internship, as well as for compliance with health surveillance regulations (such as occupational accidents) or occupational risk prevention.
- 9.4 Your data may be communicated to the companies of the Spaulding Ridge (www.spauldingridge.com), within or outside India, for the fulfillment of the indicated purposes. Additionally, data may be communicated to the following entities: governmental bodies, state Tax Agency, banks and insurance companies.
- 9.5 You have the right to access their personal data, as well as to request the rectification of inaccurate data or, where appropriate, request their deletion when, among other reasons, the data is no longer necessary for the purposes for which it was collected. Likewise, under certain circumstances, you may object to the processing of your data. The Company will cease processing the data except for compelling legitimate reasons, or the exercise or defense of possible claims. Similarly, under certain circumstances, you may request the limitation of processing, so that the Company will only retain and use them in cases authorized by law. To exercise your rights, you should write to compliance@spauldingridge.com.
- 9.6 Your Personal data will be retained for the time necessary to comply with legally established deadlines or obligations. The Company adopts appropriate technical and organizational measures to ensure a level of security appropriate to the risk of the processing.

10. COMPLIANCE

- 10.0 You must comply with the Company's security policies and framework, particularly when handling personal data during your internship, including personal data relating to any employee, worker, contractor, customer, supplier, client or agent of ours.
- 10.1 You will also comply with the Company's Enterprise Security Information Policy, the Acceptable Use Policy and all other information systems and communications policies.

11. CONFIDENTIALITY/INTELLECTUAL PROPERTY

- 11.0 **"Confidential Information"** means information relating to the business, products, affairs, customers, clients, sales, techniques and finances of the Company which is for the time being confidential to the Company or is treated as confidential by it, or information which amounts to a trade secret (including but not limited to processes, policies, methods, technical data and know-how), Intellectual Property (*as defined hereinafter*) etc. relating to the business of the Company or any of its clients, customers, suppliers or any group or affiliate companies. Notwithstanding the foregoing, the term 'Confidential Information' will not include any information which is or becomes available generally or in the possession of the public.
- 11.1 The Employee acknowledges that, in their capacity as an employee of the Company, the Employee will have access to Confidential Information. The Employee undertakes to hold such Confidential Information in a fiduciary capacity for the benefit of the Company. Further, the Employee undertakes to observe the strictest secrecy in all matters pertaining to the Company, its clients, associated companies and not to divulge or disclose at any time Confidential Information received as an employee of the Company to any unauthorised person during or after the termination of this Employment Agreement. The Company prohibits the use of Confidential Information for the Employee's own benefit or for the benefit of any other person, firm, or entity. This includes not divulging Confidential Information concerning the Company, its operations, or employees to any other employee unless the Employee is sure of such employee's right to receive it.
- 11.2 The Employee agrees and undertakes to return, or if required by the Company, destroy, all such Confidential Information (*whether written, electronic or otherwise*) immediately on termination of this Employment Agreement or at any time prior to that on request of the Company, and certify the return or destruction of all Confidential Information, as the case maybe.
- 11.3 The terms of this clause shall continue to operate and apply after the termination of this Employment Agreement without limit in time, but do not apply to information that is or comes into the public domain other than through the Employee's unauthorised disclosure.
- 11.4 Any breach of the obligation as set out in this clause may, in particular, lead to the immediate termination of this Employment Agreement, without notice or payment in lieu thereof to the Employee.
- 11.5 During the course of the employment with the Company and upon cessation thereof, the Employee shall refrain from making any adverse written or oral statement in or through any medium (including but not limited to social media) or taking any action, directly or indirectly, which the Employee knows or reasonably should know to be disparaging, negative or capable of causing harm to the reputation of the Company or its group companies, publicly or otherwise. The Employee shall also refrain from suggesting to anyone that any written or oral statements concerning the Company or its group companies, be made which the Employee knows or reasonably should know to be disparaging or negative, or from urging or influencing any person to make any such statement.

12. INTELLECTUAL PROPERTY

- 12.0 **"Intellectual Property Rights"** means and includes copyright, patents, know-how, database rights, and rights in trademarks and designs (whether registered or unregistered), prototypes, drawings, trade secrets, processes, methods, know how, formula, applications for registration, and the right to apply for registration for any of the same and all other intellectual property rights and equivalent forms of protection existing anywhere in the world.
- 12.1 **"IP Materials"** means all documents, software, photographic or graphic works of any type, any other materials in any medium or format which are created by the Employee or on his behalf in the course of performing his duties, whether individually or jointly with others, under this Employment Agreement and which are protected by or relate to Intellectual Property Rights.
- 12.2 Regarding the results in any form of the work done by the Employee in the service of the Company, all Intellectual Property Rights fully belong to the Company. The Employee agrees that all services provided by the Employee under this Employment Agreement shall constitute 'work for hire' at the instance of the Company in accordance with Copyrights Act, 1957, as amended from time to time. The Employee shall not lay any claim to the rights, even when this contract of employment has ended. To the extent that ownership of the Intellectual Property Rights does not belong to the Company under operation of law, the Employee hereby assigns, and agrees to do everything necessary to assign, to the Company all Intellectual Property Rights which arise as a result of the Employee performing his duties under this Employment Agreement (including all present and future copyright and copyright revivals and extensions). The Parties understand and agree that the assignment of such rights to the Company shall not lapse in the event the assigned rights are not exercised by the Company.
- 12.3 The Employee agrees to sign any documents and do any other act which the Company may request (at its expense) to enable the Company to make full use of the benefit of this clause. This includes joining in any application which may be made in the Company's sole name, for registration of any Intellectual Property Rights. Decisions as to the protection or exploitation of any Intellectual Property shall be at the sole discretion of the Company.
- 12.4 The Employee may only use the Intellectual Property Rights and IP Materials to perform the duties under this Employment Agreement. The Employee agrees not to use the IP materials for their own gain, Further, the Employee agrees to not disclose any Intellectual Property Rights or IP Materials to any third party without the express written consent of the Company. The Employee agrees to waive all moral rights in IP Materials to which the Employee may be entitled under the law or any relevant jurisdiction.
- 12.5 The Employee agrees that the Employee will transfer immediately to the Company all IP Materials in their possession or under their control on termination of the employment (for whatever reason) or at any other time if the Company requests it. No copies or other record of any IP Materials may be retained by the Employee unless the Employee has prior written consent from the Company.
- 12.6 The Employee hereby recognises that Intellectual Property Rights similar or related to the Company's business, relating to the Employee's activities while working for the Company and conceived or made by the Employee, alone or jointly, within twelve (12) months from the date of cessation of the Employee's employment with the Company, shall have been conceived in significant part while employed by the Company. Accordingly, the Employee agrees that such Intellectual Property Rights shall be deemed to have been conceived during their employment with

the Company and shall be assigned to the Company, unless the Employee establishes to the contrary.

- 12.7 The Employee shall indemnify the Company for any loss, damage, expenses or infringement should the Employee misuse or allow others to misuse the Company's Intellectual Property Rights and IP Materials arising as a result of the usage of any patent, trademark, label, design or application, including software program and applications. The Company shall also have a right to recover any damages incurred on account of any misrepresentation of the Employee's job responsibilities, misappropriation of funds by the Employee, or any act done by the Employee which is against the policies as laid down by the Company from time to time. The Employee shall indemnify and keep the Company indemnified to extent of such loss as may be suffered by the Company.
- 12.8 The terms of this clause shall continue to operate and apply after the termination of this Employment Agreement without limit in time.

13. NON-SOLICIT

- 13.0 The Employee acknowledges that he or she will be exposed to Confidential Information as an intern of the company, so during the term of this Employment Agreement and for a period of twelve (12) months thereafter, the Employee shall not, directly or indirectly, whether in India or abroad:
- contact, solicit, or attempt to influence any client or customer of the Company to cease doing business with the Company; and
 - solicit or attempt to influence any person employed by the Company to terminate or otherwise cease such employment; and
 - hire any person who was employed or engaged by the Company at any time while this Employment Agreement is in effect.
- 13.1 The Employee acknowledges and agrees that the above restrictions are considered reasonable for the legitimate protection of the business and goodwill of the Company. In the event of breach or threatened breach of the covenant set forth herein, the Parties acknowledge that the Company will suffer irreparable harm and therefore, the Company will be entitled to an injunction restraining the Employee from committing such breach and/or claim for damages.
- 13.2 If any such restriction(s) under this clause is found to be void but would be valid if some part thereof was deleted or the scope, period or area of application were reduced, such restriction(s) shall apply with the deletion of such words or such reduction of scope, period or area of application as may be required to make the restriction(s) contained in this clause valid and enforceable.

14. NOTICES

All notices hereunder and other communications required or permitted to be given to either party hereto shall be in writing and delivered by hand, or by overnight courier service or overnight mail; addressed, if to the Company, to Anand Fort, 3, Indira Place, JLN Marg, Malviya Nagar, Jaipur- 302017, Rajasthan (India), or addressed, if to Employee, at Employee's address stated above, or at such other address as either party hereto may from time to time designate by written notice to the other party. Any notice or other communication shall be deemed to have been given on the date delivered by hand; on the following day if given by courier service or overnight mail; or on the fifth (5th) day after mailing.

15. TAX LIABILITY

You will arrange to take care of your tax liabilities, i.e., income tax, professional tax or any other tax as may be applicable to the aforesaid stipend payments, and Company will not be liable for the same. All stipend and other payments (if any) to you will be subject to tax withholding in accordance with applicable laws.

16. GOVERNING LAW & DISPUTE RESOLUTION

This Agreement shall be governed by and construed in accordance with the laws of India. The courts in Bangalore/Jaipur will have exclusive jurisdiction in relation to all disputes arising out of this Agreement.

This Agreement constitutes the entire terms and conditions governing your engagement as an Intern with Spaulding ridge Advisory India Pvt. Ltd.

If the terms and conditions of this agreement are understood and accepted, please sign and return the attached copy of this Agreement.

I hereby accept the internship assignment on the terms and conditions set out in the foregoing Agreement.

INTERNSHIP CERTIFICATE

Date: 19-Feb-2026

Email Id: ppraj266@gmail.com

Dear Prajwal N,

Sub: Letter of Offer

We are pleased to offer you the position of **"Test Engineer"** in our Company on a contract basis from 19-Feb-2026 to 30-06-2027 which may be extended further.

Your compensation & benefits are as per Annexure A attached herewith. Your salary is strictly confidential.

You will be eligible for benefits/statutory contributions as per the Company's policies, i.e., PF Employer contributions as per Employee's Provident Scheme, 1952, ESI (If applicable) as per Employee State Insurance Act 1948.

The performance of the employee will be evaluated for a probation period of three months from the date of joining. During this probation period, the management will assess the employee's performance, conduct, and adherence to the role's responsibilities and organizational standards. Based on this assessment, the management will decide on the continuation or termination of the employee's contract. If the employee's contract is continued following this evaluation process, all other terms and conditions of this offer shall remain unchanged. The decision of the management shall be final and binding.

Your services may be terminated at any time by giving 60 days' notice, by either side. The period of such notice is to be counted from the day such notice is received. In the event of your resigning from the Company's services without giving 60 days' notice, you are bound to pay your two-month's basic salary to the Company. However, the Company, in its sole discretion, may relieve you earlier than the date requested by you.

We look forward to having you on board and the significant contribution you will make to the continued success of Duru Cooperation Private Limited. Please acknowledge your acceptance of this offer by signing a duplicate copy of this letter.

Regards & Best Wishes,

For Duru Cooperation Private Limited

Yongjoo Yoo
Chief Executive Officer

The above terms and conditions are accepted by:

Apprenticeship: Offer Letter

Dear Syed Zaid,

We are pleased to offer you a position of Intern at Anko (Regd. as **KAS Services India Private Limited**) (herein referred to as "Company") on the following terms and conditions.

Commencement of Apprenticeship:	As mutually agreed, you are required to join the Company no later than 27/Oct/25. In the event you are unable to join on the Date of Commencement, the Company will have the option to rescind this offer. The apprenticeship will commence from 27/Oct/25 for a period of 1 year.
Monthly Stipend:	Your monthly stipend shall be INR 25,000, which shall be subject to deductions on account of withholding taxes and contributions under applicable laws, rules, and regulations in India and/or under the terms of your apprenticeship.
Insurance Coverage:	You will be entitled for personal accident insurance for self during the period of your apprenticeship with the Company as per the policy made available to the employees of the Company
Background Verification:	As a condition of your employment with the company, you agree to a background verification check and said employment is subject to you clearing the background verification process subject to the requirements of the company.

Your apprenticeship with the Company will require you to be bound by all rules, regulations, policies, and guidelines issued by the Company from time to time, in relation to, but not limited to personal and professional conduct, non-disclosure of confidential information and discipline.

We welcome you to the Company and take this opportunity to wish you a long and successful career with us. Please sign and submit a copy of this Letter as your acceptance of the offer within 2 (two) days from hereof. If we do not receive your acceptance within the above-mentioned 2 (two) days period, this offer shall lapse and shall not be applicable for acceptance thereafter. By signing this Letter, you also consent to the collection, use, transfer, disclosure, storage, and retention of your Personal Data.

Thank you,

Yours sincerely,

Accepted By:
